

Guest House in Vilnius

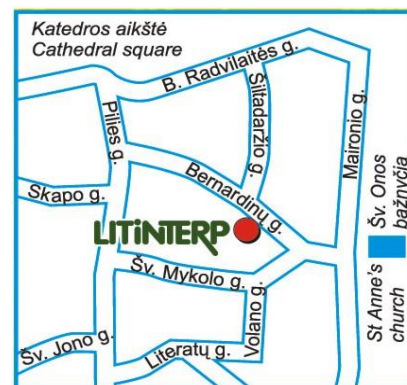

In the Old Town of Vilnius

Our Guest House is situated in the centre of the Old Town in Vilnius, in quiet Bernardinai Street, only a few minutes away from Cathedral Square and the Church of Saint Ann.

The cosy rooms of the Guest House are set in a period building. The walls of the house are decorated with authentic 18th century bricks and with original pictures of the Old Town. Comfortable Lithuanian wooden furniture will make you feel at home.

4 single, 9 double, 1 triple and 2 family rooms are designed and furnished for your comfort. As 2-3 of the rooms can make one separate apartment, it is very suitable for families or small groups to stay in our Guest house.

Cosy rooms

Many rooms are equipped with separate bathrooms. Residents of other rooms use shared bathrooms, but a maximum of 3-4 guests share a bathroom.

All apartments are equipped with small kitchens, which can be used by all guests. All kitchens have a fridge, electrical kettle and essential kitchenware. All apartments are also equipped with phones.

We can also meet you at the airport for a small fee, to offer free secure parking in the closed backyard of the Guest House at night; and if you don't have a car – we will help you to rent one.

Our staff do their best to make you to feel at home!
